

Cable raceway for EWK and EWS enclosures with width of 1050 mm

Part no. RK10-EW
Article no. 178505

Delivery program

Basic function		Accessory consideration
Accessories		EW
Product range		EWK DB0

Technical data ETIM 6.0

Cable carrying systems (EG000004) / Cable tray/wide span cable tray (EC000047)		
Electric engineering, automation, process control engineering / Electrical insulation and connecting material / Cable carrier system / Cable duct/wide-span cable duct (ecl@ss8.1-27-40-05-02 [ACO323008])		
Height	mm	210
Width	mm	1050
Material thickness	mm	1
Length	mm	1065
Useful cross section	mm ²	185
Side wall perforation		No
Mounting perforation in bottom		No
NATO-mounting holes		No
Model		Without connector
Wide span model		No
Suitable for circuit integrity		No
Material		Steel
Stainless steel, pickled		No
Material quality		-
Surface protection		-
Colour		Light grey
RAL-number		9016
With cover		Yes
