

## Non-contacting safety switch RS-Titan

Part no. RS2-02-C10
Article no. 177300
Catalog No. RS2-02-C10

## **Delivery program**

| Basic function           |                |      | Position switches<br>Safety position switches |
|--------------------------|----------------|------|---|
| Part group reference     |                |      | RS  |
| Product range            |                |      | Non-contacting safety switch                  |
| Degree of Protection     |                |      | IP67, IP69K                                   |
| Ambient temperature      |                | °C   | -10 - +55                                     |
| Description              |                |      | Reed contacts                                 |
| Contacts                 |                |      |   |
| N/C = Normally closed    |                |      | 2 NC  |
| Rated voltage            | U <sub>e</sub> | V DC | 24  |
| Material                 |                |      | Plastic                                       |
| Connection type          |                |      | 10 m connection cable                         |
| Rated switching distance | $S_{n}$        | mm   | 8 - 19  |

# **Technical data**

#### General

| Standards                   |    | ISO 13849, ISO 14119, EN 62061 |
|-----------------------------|----|--------------------------------|
| Ambient temperature         | °C | -10 - +55                      |
| Mechanical shock resistance | g  | Semisinusoidal 30 g/11 ms      |
| Vibration                   |    | 1 mm, 0 - 2000 Hz              |
| relative humidity           | %  | 90 (at 55 °C)                  |
| Mounting position           |    | As required                    |
| Degree of Protection        |    | IP67, IP69K                    |
| Terminal capacity           |    | AWG 22                         |
|                             |    |                                |

#### **Power supply**

Rated voltage U<sub>e</sub> V DC 24

#### **Contacts/switching capacity**

| Rated operational current       | l <sub>e</sub> | Α |                 |
|---------------------------------|----------------|---|-----------------|
| DC-13                           |                |   |                 |
| 24 V                            | l <sub>e</sub> | Α | 0.3             |
| Repetition accuracy (deviation) |                | % | ≤ <sub>10</sub> |

### **Technical safety parameters:**

| Values according to EN ISO 13849-1 |    |          |
|------------------------------------|----|----------|
| Performance level                  | PL | е        |
| B10 <sub>d</sub>                   |    | 20000000 |
| Values according to IEC 62061      |    |          |
|                                    |    | SIL: 3   |

## Design verification as per IEC/EN 61439

| Technical data for design verification |    |     |
|--|----|-----|
| Operating ambient temperature min.     | °C | -10 |
| Operating ambient temperature max.     | °C | 55  |

### **Technical data ETIM 6.0**

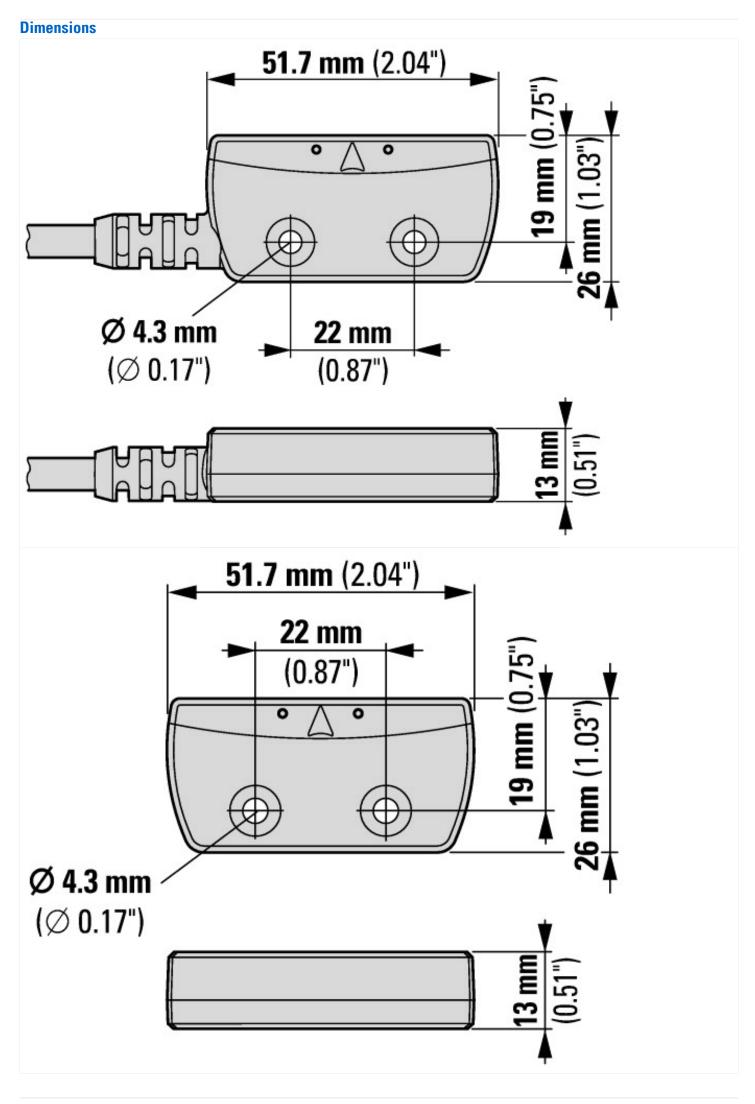

Sensors (EG000026) / Position switch with separate actuator (EC002592)

Electric engineering, automation, process control engineering / Binary sensor technology, safety-related sensor technology / Position switch / Position switch with separate actuator (ecl@ss8.1-27-27-06-10 [ACN835008])

| With status indication                        |    | No                      |
|---|----|-------------------------|
| Suitable for safety functions                 |    | Yes                     |
| Width sensor                                  | mm | 26                      |
| Height of sensor                              | mm | 13                      |
| Length of sensor                              | mm | 52                      |
| Forced opening                                |    | No                      |
| Number of safety auxiliary contacts           |    | 2                       |
| Number of contacts as normally closed contact |    | 2                       |
| Number of contacts as normally open contact   |    | 0                       |
| Number of contacts as change-over contact     |    | 0                       |
| Type of switching contact                     |    | -                       |
| Rated operation current le at AC-15, 24 V     | A  | 0                       |
| Rated operation current le at AC-15, 125 V    | Α  | 0                       |
| Rated operation current le  at AC-15, 230 V   | Α  | 0                       |
| Rated operation current le at DC-13, 24 V     | Α  | 0.03                    |
| Rated operation current le  at DC-13, 125 V   | A  | 0                       |
| Rated operation current le  at DC-13, 230 V   | A  | 0                       |
| Housing according to norm                     |    | -                       |
| Construction type housing                     |    | Cuboid                  |
| Material housing                              |    | Plastic                 |
| Housing coating                               |    |                         |
| Type of interface                             |    |                         |
| Type of interface for safety communication    |    |                         |
| Type of electric connection                   |    | With cable preassembled |
| Explosion safety category for gas             |    | None                    |
| Explosion safety category for dust            |    | None                    |
| Ambient temperature during operating          | °C | -10 - 55                |
| Degree of protection (IP)                     |    | IP67                    |
| , , , , ,                                     |    |                         |

# Approvals

| Product Standards           | CE marking                                   |
|-----------------------------|--|
| UL File No.                 | E166051                                      |
| UL Category Control No.     | NRKH, NRKH7                                  |
| CSA File No.                | UL report applies to both Canada und US      |
| North America Certification | UL listed, certified by UL for use in Canada |
| Degree of Protection        | IEC: IP67, IP69K; UL/CSA Type: -             |
