

Moisture condensation filters, controllable, with integrated thermostat

Part no. ETF012
Article no. 215035

Technical data ETIM 6.0

Cabinet enclosures (EG000011) / Thermostat (switchgear cabinet) (EC002014)		
Electric engineering, automation, process control engineering / Signal processing / Controller (signal processing) / Thermostat (electrical cabinet) (ecl@ss8.1-27-21-07-07 [ACN686008])		
Nominal rated voltage	V	230
Rated current In	A	0.5
Adjustment range temperature	°C	0 - 60
Mounting method		Clamp mounting
Type of switch function		Change-over contact
With digital indication		No
With hygrostat		Yes
