Accessories		Communication modules
		Communication module MODBus
For use with		IZMX...-U... IZMX...-P...
Instructions		Can be used for circuit-breakers with U or P trip blocks. If retrofitting for fixed mounting circuit-breakers, the module is clipped, next to the circuit-breaker, onto a top hat DIN rail. A configured connection cable → #172969 is required for this purpose.

**Design verification as per IEC/EN 61439**

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70

**Technical data ETIM 6.0**

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)			
Electric engineering, automation, process control engineering / Low-voltage switch technology / Low-voltage switch technology (accessories) / Component for low-voltage switch technology (accessories) (ec1@ss8.1-27-37-92-01 [AKN570010])			
Type of accessory			Communication and measuring function
