Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

DIN rail housing, Upper housing part, tall design, connection opening on one side, connection opening on one side, width: 90.1 mm, height: 75.27 mm, depth: 36.95 mm, color: black (similar RAL 9005)

### Your advantages

- · DIN rail or wall mounting for application-specific device attachment
- · Easy design-in, thanks to variable housing form factor
- · Complete flexibility, thanks to PCBs with horizontal, frontal, and orthogonal orientation to the front of the device
- · Three cover versions for individual PCB connections
- · Integration of a wide variety of PCB connection technologies for a functional device design

### Commercial data

| Item number                          | 2201522       |
|--------------------------------------|---------------|
| Packing unit                         | 10 pc         |
| Minimum order quantity               | 10 pc         |
| Sales key                            | AC12          |
| Product key                          | ACHCHC        |
| GTIN                                 | 4046356832120 |
| Weight per piece (including packing) | 30.41 g       |
| Weight per piece (excluding packing) | 30.41 g       |
| Customs tariff number                | 85389099      |
| Country of origin                    | IN            |

### Technical data

#### Notes

|                    | General                      | Refer to the data sheet for the range in the download area.     |
|--------------------|------------------------------|---|
| Product properties |                              |   |
|                    | Product type                 | Upper housing part  |
|                    | Housing series               | EH  |
|                    | Product family               | EH 90   |
|                    | Туре                         | Upper housing part, tall design, connection opening on one side |
|                    | Housing type                 | DIN rail housing  |
|                    | Ventilation openings present | no  |

#### Dimensions

| Width                           | 90.1 mm  |
|---------------------------------|----------|
| Height                          | 75.27 mm |
| Depth                           | 36.95 mm |
| Depth from base support surface | 19.95 mm |

#### Material specifications

| Color (Housing)                        | black (RAL 9005) |
|--|------------------|
| Flammability rating according to UL 94 | НВ               |
| Surface characteristics                | untreated        |
| Housing material                       | ABS              |

### Environmental and real-life conditions

| Vibration test         |                         |  |
|------------------------|-------------------------|--|
| Specification          | IEC 60068-2-6:2007-12   |  |
| Frequency              | 10 - 150 - 10 Hz        |  |
| Sweep speed            | 1 octave/min            |  |
| Amplitude              | 0.15 mm (10 Hz 58.1 Hz) |  |
| Acceleration           | 2g (58.1 Hz 150 Hz)     |  |
| Test duration per axis | 2.5 h                   |  |
| Test directions        | X-, Y- and Z-axis       |  |

|---|---|
| Specification                           | IEC 60695-2-11:2014-02                            |
| Temperature                             | 850 °C  |
| Time of exposure                        | 30 s  |
| Fhermal stability / ball thrust test    |   |
| Specification                           | IEC 60695-10-2:2014-02                            |
| Temperature                             | 80 °C   |
| Test duration                           | 1 h   |
| Force                                   | 20 N  |
| Aechanical strength / tumbling barrel   |   |
| Specification                           | IEC 60998-1:2002-12                               |
| Height of fall                          | 50 cm   |
| Frequency                               | 10  |
| Shocks                                  |   |
| Specification                           | IEC 60068-2-27:2008-02                            |
| Pulse shape                             | Half-sine   |
| Acceleration                            | 15g   |
| Shock duration                          | 11 ms   |
| Number of shocks per direction          | 3   |
| Test directions                         | X-, Y- and Z-axis (pos. and neg.)                 |
| Degree of protection (IP code)          |   |
| Specification                           | IEC 60529:1989-11 + AMD 1:1999-11 + AMD 2:2013-08 |
| Ambient conditions                      |   |
| Max. IP code to attain                  | IP20  |
| Ambient temperature (operation)         | -40 °C 80 °C (depending on power dissipation)     |
| Ambient temperature (storage/transport) | -40 °C 55 °C                                      |
| Ambient temperature (assembly)          | -5 °C 80 °C                                       |
| Relative humidity (storage/transport)   | 95 %  |
| B data                                  |   |
| Type of PCB mount                       | Slot  |
| ounting                                 |   |
| Mounting type                           | Snap in   |
| Mounting position                       | Vertical (horizontal DIN rail)                    |
|   |   |
|   |   |
| ckaging specifications                  | packed in cardboard                               |
