

Software - CLOUD SDK4J - 2404475

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

The software development kit for JAVA enables you to freely program individual cloud services.

Your advantages

- Extension of the PROFINET network to include individual cloud services
- Free programming possible with the SDK in Java

PROFICLOUD
Professional Cloud Solutions

Key Commercial Data

Packing unit	1
GTIN	 4 055626 377780
GTIN	4055626377780
Custom tariff number	85234920

Technical data

License information

Intended use for the software	Programming
-------------------------------	-------------

IoT capability

Supports cloud computing	yes
IoT platform	PROFICLOUD

Software requirements

Operating system	Linux
------------------	-------

Environmental Product Compliance

China RoHS	For details about hazardous substances go to tab "Downloads", Category "Manufacturer's declaration"
------------	---
