Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

DIN rail housing, Lower housing part with metal foot catch, with vents, width: 37.89 mm, height: 120.6 mm, depth: 82.85 mm, color: light grey (similar RAL 7035), cross connection: DIN rail connector (optional), number of positions cross connector: 5 or 8

### Your advantages

- · Easy, tool-free mounting
- · Optional DIN rail connector for easy module-to-module communication
- · Lock and Release principle for automatic latching and intuitive release of the front connection plug
- Plastic in accordance with UL94 V0: for more rigorous flammability requirements
- · Versatile use: deeper design for more PCB space
- Greater flexibility: combination with ICS series electronics housing using DIN rail connectors

#### Commercial data

| Item number                          | 1103438       |
|--------------------------------------|---------------|
| Packing unit                         | 5 pc          |
| Minimum order quantity               | 5 pc          |
| Sales key                            | AC15          |
| Product key                          | ACHEBA        |
| GTIN                                 | 4055626966526 |
| Weight per piece (including packing) | 60.48 g       |
| Weight per piece (excluding packing) | 42.37 g       |
| Customs tariff number                | 85389099      |
| Country of origin                    | CN            |

### Technical data

#### Notes

| General | Refer to the data sheet for the range in the download area.           |
|---------|---|
| General | Material of contact pads for bus connector, galvanic gold (hard gold) |

### Product properties

| Product type                 | Enclosure bottom part                    |
|------------------------------|--|
| Housing series               | ME-IO                                    |
| Max. number of positions     | 96 (pitch: 3.45 mm)                      |
|                              | 64 (pitch: 5 mm)                         |
| Туре                         | Lower housing part with metal foot catch |
| Housing type                 | DIN rail housing                         |
| Ventilation openings present | yes                                      |

#### **Dimensions**

| Dimensional drawing             | h w           |
|---------------------------------|---------------|
| Width                           | 37.89 mm      |
| Height                          | 120.6 mm      |
| Depth                           | 82.85 mm      |
| Depth from top edge of DIN rail | 76.25 mm      |
| PCB design                      |               |
| PCB thickness                   | 1.4 mm 1.8 mm |
| Actorial an arifications        |               |

#### Material specifications

| Color (Housing)                        | light grey (RAL 7035) |
|--|-----------------------|
| Flammability rating according to UL 94 | V0                    |
| Surface characteristics                | untreated             |
| Housing material                       | Polyamide             |

#### Environmental and real-life conditions

Power dissipation single housing for 20 °C

| Ambient temperature | 20 °C    |
|---------------------|----------|
| Reduction factor    | 1        |
| Mounting position   | vertical |
