Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Contact carrier, Ethernet CAT5 (IEC 11801:2002), 8-position, Socket, straight, M12, coding: Y, PCB mounting, THR solder connection, Alternative product in accordance with RoHS II without Exemption 6c (Pb < 0.1 %) item no.: 1239020

## Your advantages

- · Reduced mounting costs thanks to two-piece device connector
- · Packaging available for automated pick and place assembly
- · All common pin assignments and codings available
- Easy device integration thanks to mechanical port screw connections with threaded attachment, press-in contour or direct integration in the front plate

## Commercial data

| Item number                          | 1413445       |
|--------------------------------------|---------------|
| Packing unit                         | 100 pc        |
| Minimum order quantity               | 100 pc        |
| Sales key                            | AB23          |
| Product key                          | ABQAGT        |
| GTIN                                 | 4046356999076 |
| Weight per piece (including packing) | 7.479 g       |
| Weight per piece (excluding packing) | 7.479 g       |
| Customs tariff number                | 85366930      |
| Country of origin                    | DE            |

## Technical data

#### Notes

| General             | The electrical and mechanical data specified assume that the connector pair is correctly locked and mounted. If the connector is unlocked and if there is a danger of contamination, the connector must be sealed using a protective cap > IP54. Influences arising from litz wires, cables or PCB assembly must also be taken into consideration. |
