Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Thermomagnetic device circuit breaker, 1-pos., tripping characteristic M1 (medium-blow), 1 changeover contact, plug for base element.

#### Your advantages

- · Individually adjustable with protective plugs
- · Switch higher starting currents with the aid of the M1 characteristic curve
- · Protective plug with fixed nominal current value as protection against unintentional changes
- · Increased safety with electrical isolation in the event of errors

#### Commercial data

| Item number                          | 2800854             |
|--------------------------------------|---------------------|
| Packing unit                         | 1 pc                |
| Sales key                            | CL04                |
| Product key                          | CLA124              |
| Catalog page                         | Page 392 (C-4-2019) |
| GTIN                                 | 4046356690058       |
| Weight per piece (including packing) | 44.33 g             |
| Weight per piece (excluding packing) | 44 g                |
| Customs tariff number                | 85362010            |
| Country of origin                    | ID                  |

When mounted in rows, the nominal device current can be limited to just 80% or must be overdimensioned accordingly.
