Similar to illustration

The THM labels offer brilliant printing quality thanks to the thermal transfer technology. Different materials and the user-friendly printing system under Windows optimise every marking effort.

- High-quality polyester labels in various colours or inexpensive paper labels are available
- Labels are automatically positioned in the printer for perfectly centred prints on each label.

**Accessories****Ink ribbons**

Our marking systems can be used to quickly and reliably label connector markers, conductor and cable markers, device markers and labels. The M-Print® PRO software enables rapid and easy identification of your electrical equipment. You can design, label and order your marking materials professionally and quickly. Frames, barcodes, graphics or photos are easily incorporated. The versatile data conversion routines enable quick and flexible data integration. The Weidmüller PrintJet ADVANCED, MCP Plus and MCP Basic printers and the THM series printers are available for printing.
