The protective housing is manufactured from seawater-resistant aluminium using pressure die casting. High standards of water and dust protection, as well as particularly high impact resistance, are the hallmarks of this housing series. A sophisticated two-stage surface coating ensures years of reliability. All screws, crimp contacts and other exterior accessory parts are made of corrosion-resistant stainless steel.

**General ordering data**

Type	HDC HP ABGH COVER
Order No.	<a href="#">1473470000</a>
Version	HDC enclosures, Cover
GTIN (EAN)	4050118279917
Qty.	1 pc(s).
